WHY BE A BOOSTER?

Every athlete, sport and coach benefits from your support of Tosa East Boosters.

Your Tosa East Booster Club membership dues and donations are all or mostly tax deductible.

The athletic participation fees for each athlete and admission at sporting events goes directly to the School District and does NOT directly benefit the Booster Club or our student athletes.

If you are the parent of an athlete, your support enhances your child's athletic experience. We need all parents to be Boosters.

Booster Club volunteers at HartFest raised over \$3500 for new uniforms & equipment and had fun promoting Tosa East athletics.

Your membership is your invitation to monthly Booster meetings. Join a great group of Tosa East parents & supporters and bring your ideas.

THANK YOU FOR SUPPORTING TOSA EAST BOOSTERS
