 - Our funding has never been non-inclusionary – would like to make sure it is available to all players interested
 - Families would contribute some funds depending on our donation – not able to do program fundraising due to absence of coach
 - Could families pay for their player and the Booster Club funds those that qualify with a scholarship?
 - Michelle will look into, but may be tricky with WIAA rules

 - We will allot a certain amount to keep it equal to all programs
 - Booster Club will donate \$1,000 for programs with 21+ athletes and \$500 for programs with 20 or fewer athletes
 - Requests by coaches will be considered one time per fiscal year (July 1 – June 30) and should be requested prior to their season
