- New Request from Trap Shooting Coach Matt Stockinger
  - Requesting funds to cover gun caddy carts and pop up tents
  - West has approved \$1700 to cover carts, tents or a combination
  - They are seeking funding from additional outlets and will do concessions to help raise money as well
  - 20 students on team – 6 from East, 14 from West
  - Requested vests from Booster Club 3 years ago
  - Have not volunteered for concessions in at least the last two years
  - West request form asks how the program supports the Booster Club and when their last request was – we should add to our form as well
  - One 15'x 15' tent would cost \$1,693.43
  - If we approve request, it should be with a caveat that the expectation is that they will contribute to concessions volunteering and membership
  - Sara motion to approve amount to cover one 15' x 15' tent, Christine second, motion approved
